**TO WHOM SO EVER IT MAY CONCERN**

This is to certify that M/s Pyrotech Electronics Pvt. Ltd have executed C&I work as a Sub-Contractor of the Main Mega Package Contractor M/s Hyderabad Industries Ltd., for Waste Management Plant (WMP) and D2O Upgrading Plant (UGP) facilities at RAPP-5&6 (NPCIL). M/s Pyrotech had executed engineering, supply, erection, testing, & commissioning of total C&I system of both the above facilities. They completed their assigned work in timely manner and handed over the facilities to RAPP-5&6 after testing and commissioning satisfactorily.

The performance of the firm had remained very good in terms of timely supply, mobilization of resources, developing site facilities, taking up prefabrication of instrument supports/stands/light channel supports/tube supports, completing field erection works viz. JB/Panel installation, instrument installation, light channel fabrication & laying, SS/copper tubing fabrication & erection, cable laying, glanding & wire termination, and commissioning of the erected facilities as per specification & to the satisfaction of RAPP-5&6. The firm deserves compliment for their good working and going beyond their contractual obligations in areas of engineering supply, erection, testing and commissioning of facilities, For PLC commissioning, the firm had deputed commissioning engineers of their sub-vendor, M/s Schneider, on long terms basis and completed system configuration, display screen customization, loop testing & commissioning of integrated systems to the entire satisfaction of RAPP-5&6. There had been no accident during their entire operations at site and this augurs well for the firm.

The undersigned takes this opportunity to convey my sincere thanks to Shri R.K.Sahi, Site Manager, and his entire team for whole hearted participation and deduction for brining above facilities successfully. Also wish all the staff associated with RAPP-5&6 works grand success in future endeavor M/s Pyrotech is a highly competent & suitable for mid range C&I works.
